## CLUB CAPTAIN'S REPORT

Thank you to the members who had the confidence to vote me into this position as Club Captain.

Brent and I have been members of the Canterbury Model A Chapter for 34 years and I am sure that it will also be a big learning curve for me as the year progresses.

A short history of my background. I have been involved in netball administration for over fifty years, firstly in Christchurch and for the last 12 years at Selwyn Netball.

My interest in netball continues as I coach young umpires and also have qualification in the scoring side of the game. I was a qualified primary school teacher, and followed this employment with the role as Sports Director for Canterbury primary schools for 24 years, from which I retired in December last year.

We have two children and six grandchildren – three in Christchurch and three in Wanaka. Their netball and skiing interests keep us busy, as well as our large garden in Templeton. And of course the Model A club. We are both on the committee for the 2023 National Rally in Methven which is progressing nicely with the organisation of some interesting events over the six days.

I look forward to assisting with the progression of the club, and providing events which will cover something for all of you. A list of events coming up follows. Please feel to contact me to express any ideas that you would like added and we will attempt to provide as many of these as we can.
